## Career Objective:

The main goal of my life is to establish myself as a skilled software engineer. That`s why I have been working on various types of real time software development since 2018. No matter what company I work for, my main purpose is to give my best.

## Career Summary:

Current Working Place: FrogBid IT Solution as Web Application Developer (2018-Present)
Likable and dedicated Web Application Developer with over 2 years of experience in a IT company. Eager to offer superb backend and web application development skills to help ABC Inc grow its client base.

## Special Qualification:

I have full experience working in Core PHP for almost 2 years 2018-2020. Since 2021, I have moved to Laravel Framework. I am currently working as a Lead Software Engineer (Backend) at a private software firm in Khulna.
